

Complete Enfatuation

Program Package (Dutch Cocoa)

The Complete Enfatuation Package is a program designed to help rebuild the digestive system and establish a healthier metabolism through the improved consumption and assimilation of high quality plant protein, healthy plant sourced fats and nutritionally dense herbs.

Protocol:

Morning-

SolleComplete - 2 scoops
Enfatuation - 2 scoops (Mix both in 12-16 ounces of water)

Verdezymes - 2 capsules

CinnaMate – 1 packet in 8 ounces of hot or 12-16 ounces of cold water as needed to control cravings

Bedtime -

Verdezymes - 2 capsules
